The abstract must be written in English. There will be no formatting done to the abstract prior to publication in the abstract book. Therefore it is very important to ensure that your abstract follow the style guide presented in this template in order to provide a uniform and consistent appearance.

Abstract should not exceed one page in length using single line spacing. The dimension of the paper is **US Letter size: 8.5 in x 11 in (21.59 cm x 27.94 cm)**. **Margins** should be 1 inch (2.54 cm) on all sides, and the text should be written in 10 point Times New Roman. Large figures should be centered, and small ones may be placed side by side as shown in Figure 1. In all cases, the figures must be located completely inside the paper margins. Figure and table captions, in 8 pt, should be centered below the figures and tables as shown in Figure 1.

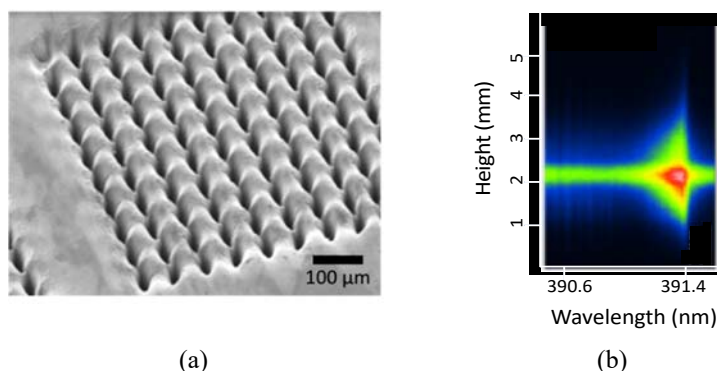

Figure 1. Captions in 8 point form. (a) The figure, as well as each axis coordinates and titles must be large enough to be easily read. (b) Figures should have appropriate resolution to ensure proper visibility.

All references should numbered and appear at the end of the abstract in the same order as used in the text. The font should be the same as the main body of the text but with an 8 pt size. Reference should be aligned to the left. In the main body of the text, the reference designation should be with square brackets [1], and several references can be included together using a comma [2, 3]. If three or more consecutive references occur together, a dash is to be used [1-3].

The abstract must be submitted in a **PDF** format.
